ATHENS ARTS' MISSION

is to enrich our community through educational programs, workshops and the introduction of individual local artists and their work. We strive to provide both a rich arts facility dedicated to the presentation of quality exhibits for the public as well as an open studio environment that fosters artistic interaction and the creative spirit.

ATHENS ARTS' GOAL

is to collaborate with other local non-profit agencies to promote appreciation and growth for the arts in our community. We seek to become a self-supporting, non-profit gallery that supports local working artists and contributes to the revitalization of a vibrant downtown community.
