

7.8.x. Exercise questions

Use the system of derivations to find structures dividing premises from conclusions in the cases below. You will need to use the rule UG+.

1. $\forall x \neg \forall y \neg Rxy / \forall x \neg Rxx$
2. $\forall x \neg \forall y Rxy / \neg \forall x Rxa$
3. $\forall x \neg \forall y Rxy / \forall x \neg Rax$
