

Homework for Philosophy 270, Fall 2010

***Homework on §8.2—assigned Wed 12/1 and due Fri 12/3***

Analyze the following in two non-equivalent ways and describe a possible world that is a counterexample to their equivalence (i.e., describe a situation in which the sentence would be true on one analysis and false on the other). (You should also restate each analysis using unrestricted quantifiers.)

Every consultant proposed a solution
