

*Homework for Philosophy 270, Fall 2011*

**Homework on §8.1**—assigned Mon 11/28 and due Wed 11/30

Analyze the following and restate the result using unrestricted quantifiers. (Since this is intended as practice in the use of existential quantifiers, you should use them even if an analysis using universal quantifiers is also possible.)

There wasn't any food in the refrigerator, but there was a note on its door
