

Homework for Philosophy 270, Fall 2013

Homework on §1.3—assigned Wed 9/4 and due Fri 9/6

Give your own example of a true sentence that has a false implicature and briefly explain why it is an example. (Most implicatures depend on the context in which the sentence is used, so you will probably need to sketch a brief story to provide the context, as is done in the first group of exercises on §1.3.)
